*In the middle of the day
mom leaves her house.*

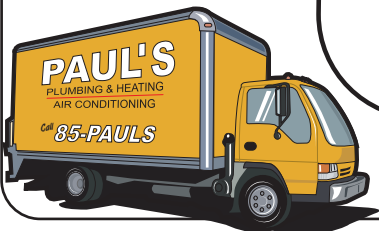

Meanwhile inside...

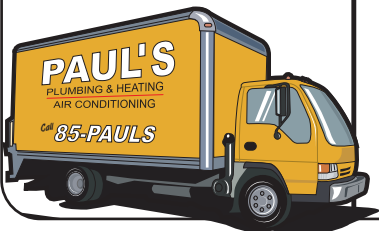

What should we do next?

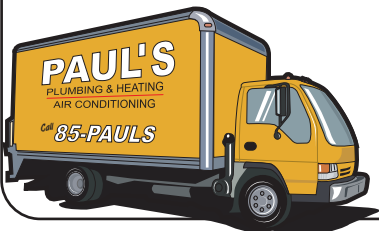

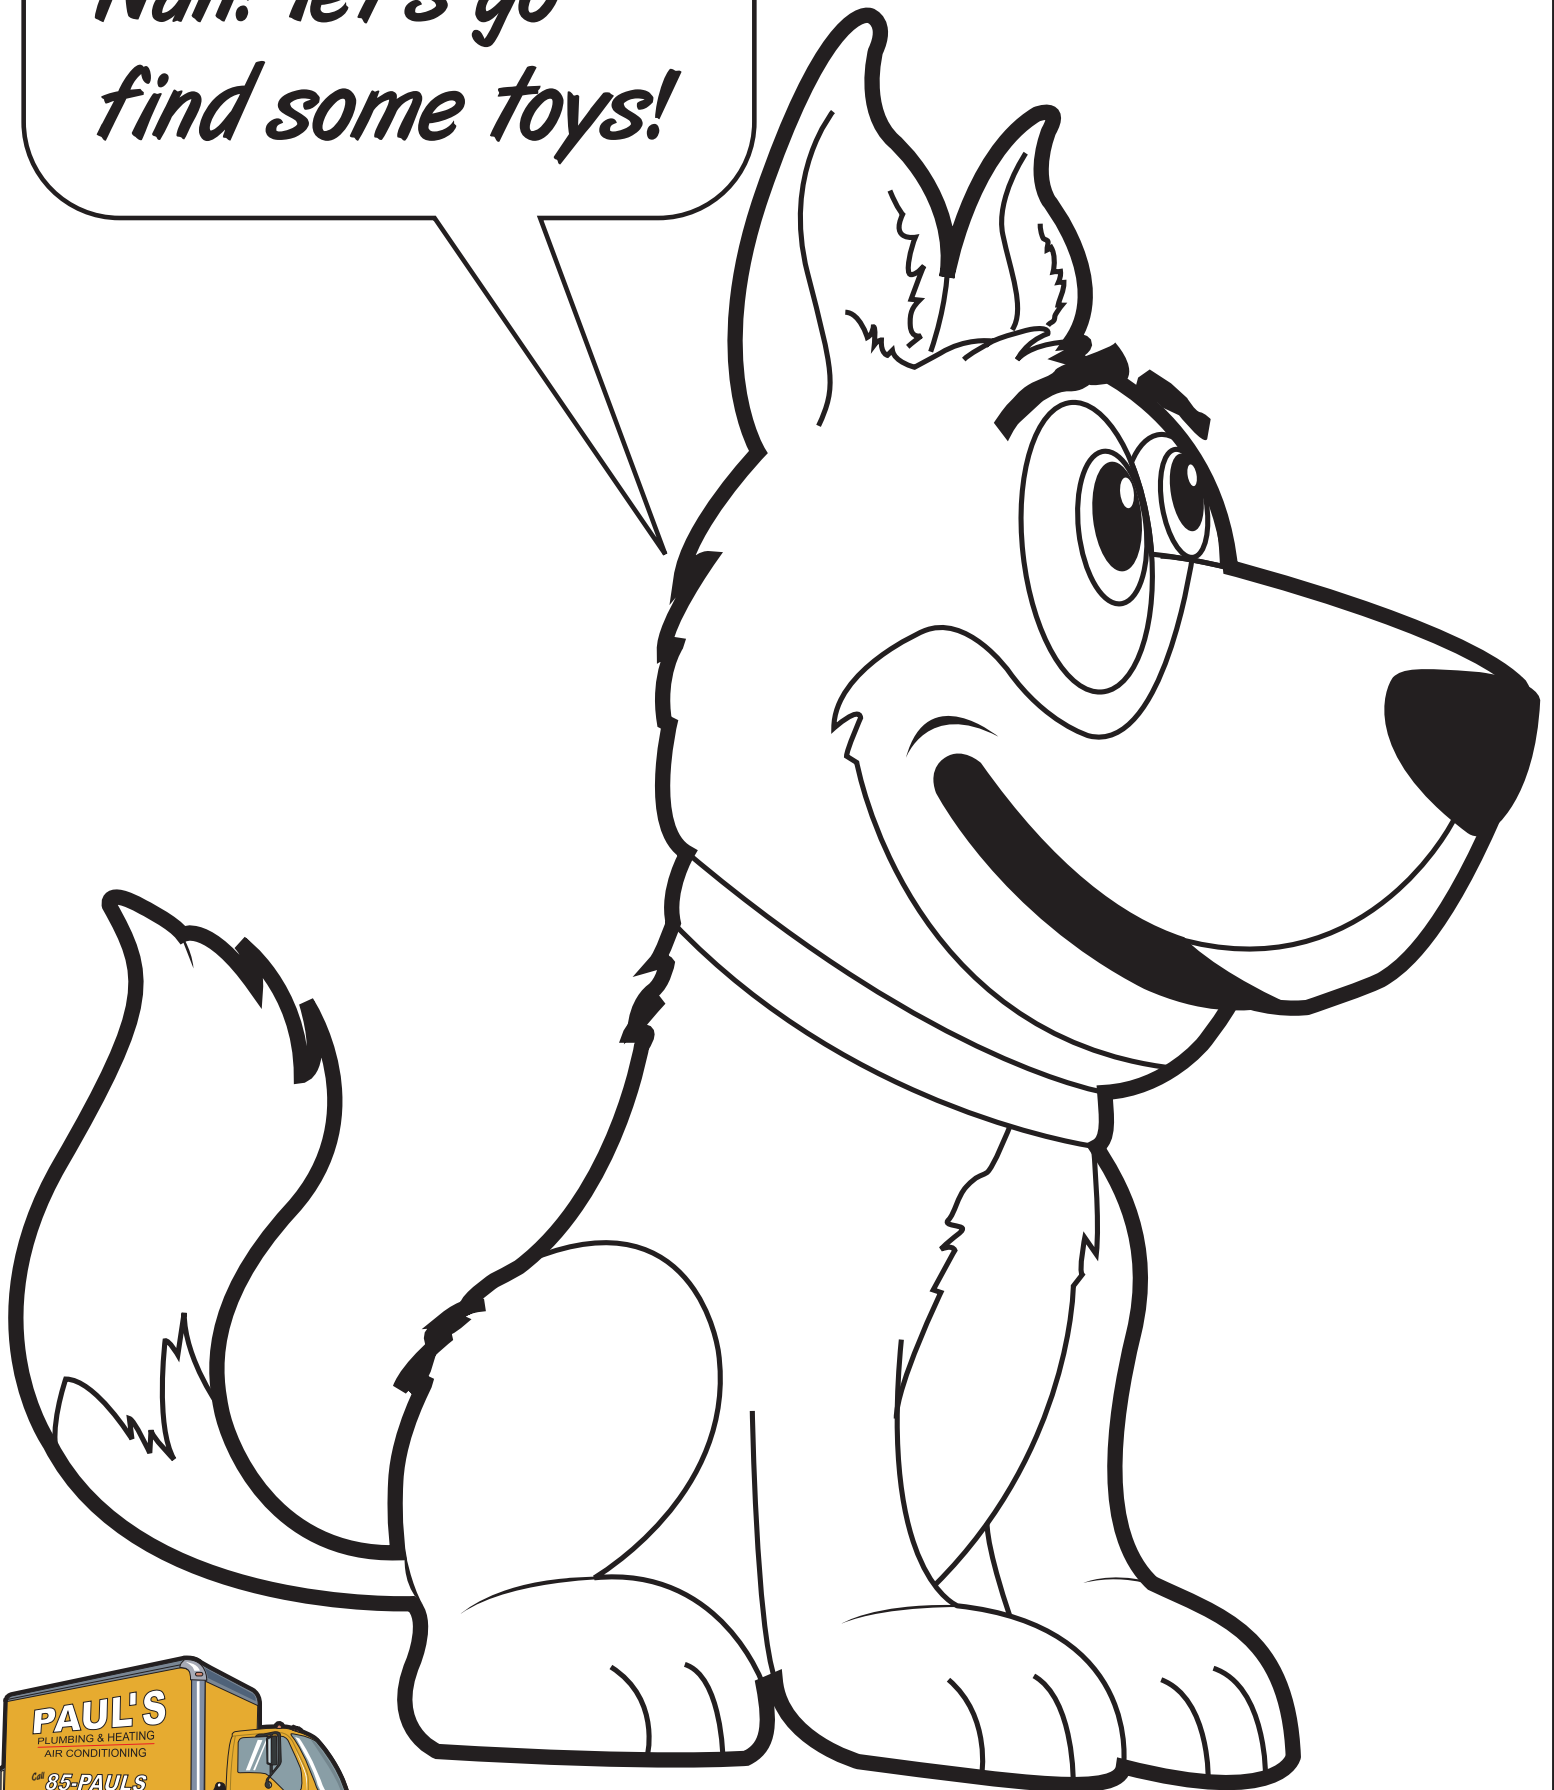

*Let's go get
something
to play with!!*

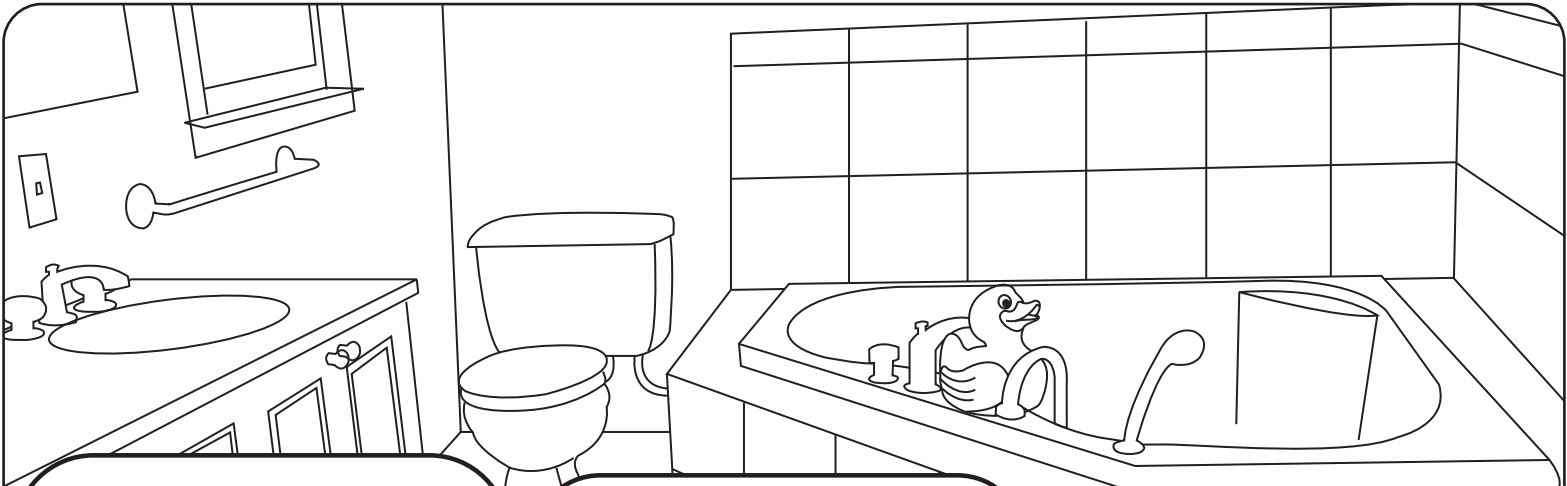

*I think you should relax
while our mom is away*

*Nah! let's go
find some toys!*

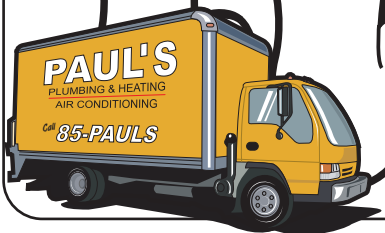

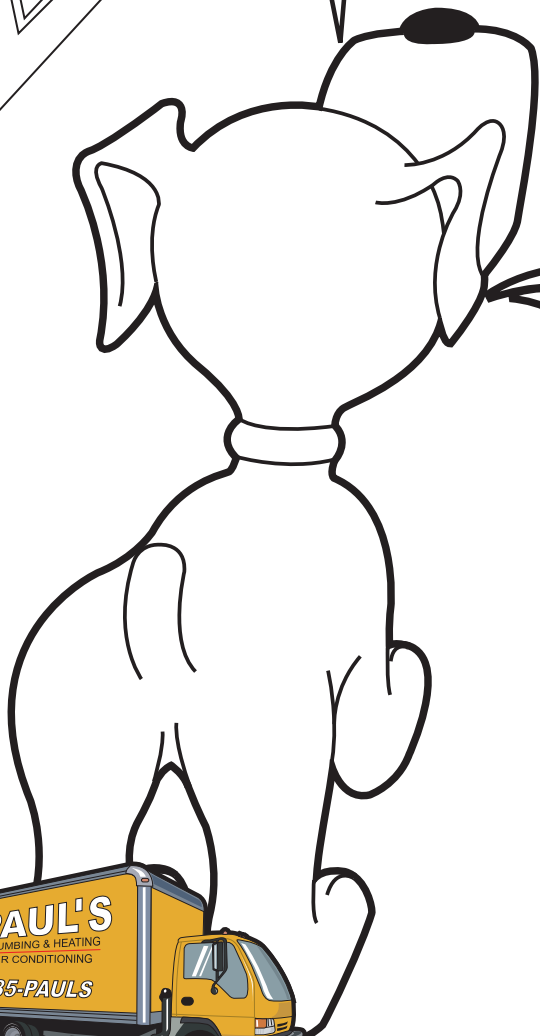

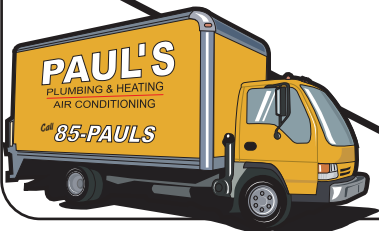

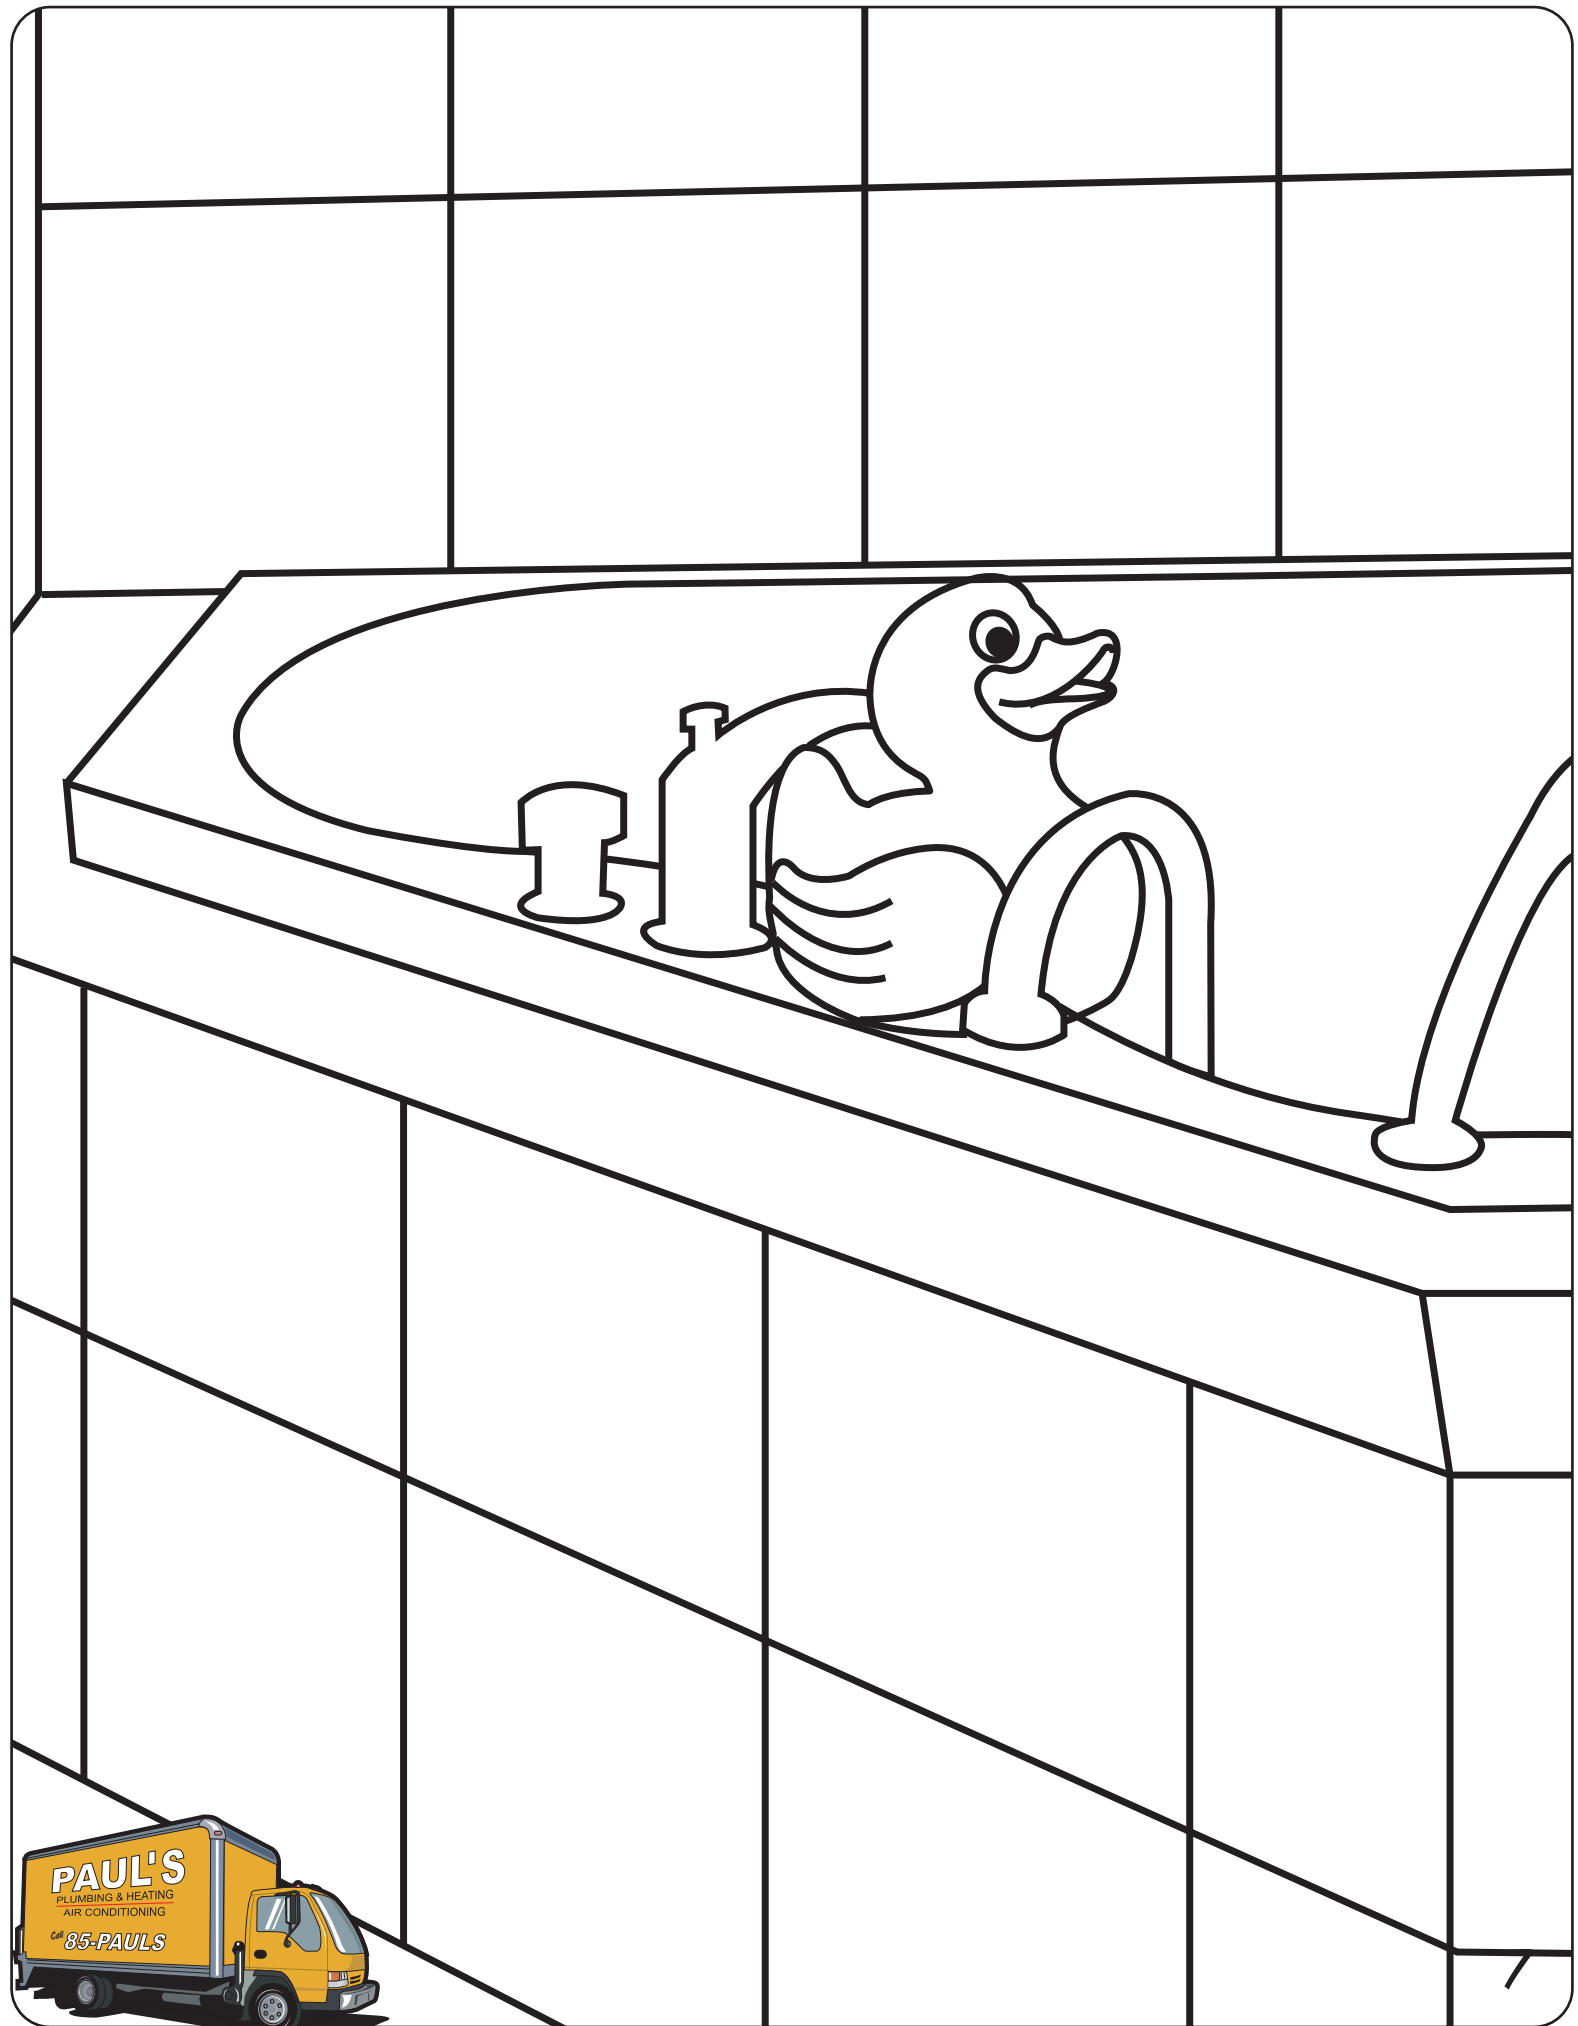

Look at that toy!!

Lets get it!

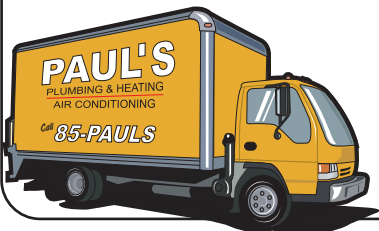

I wouldn't do that!

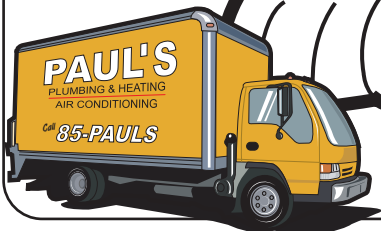

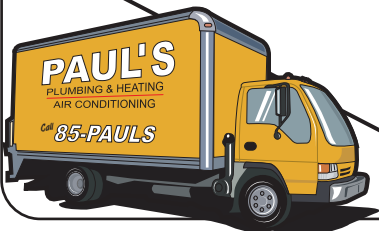

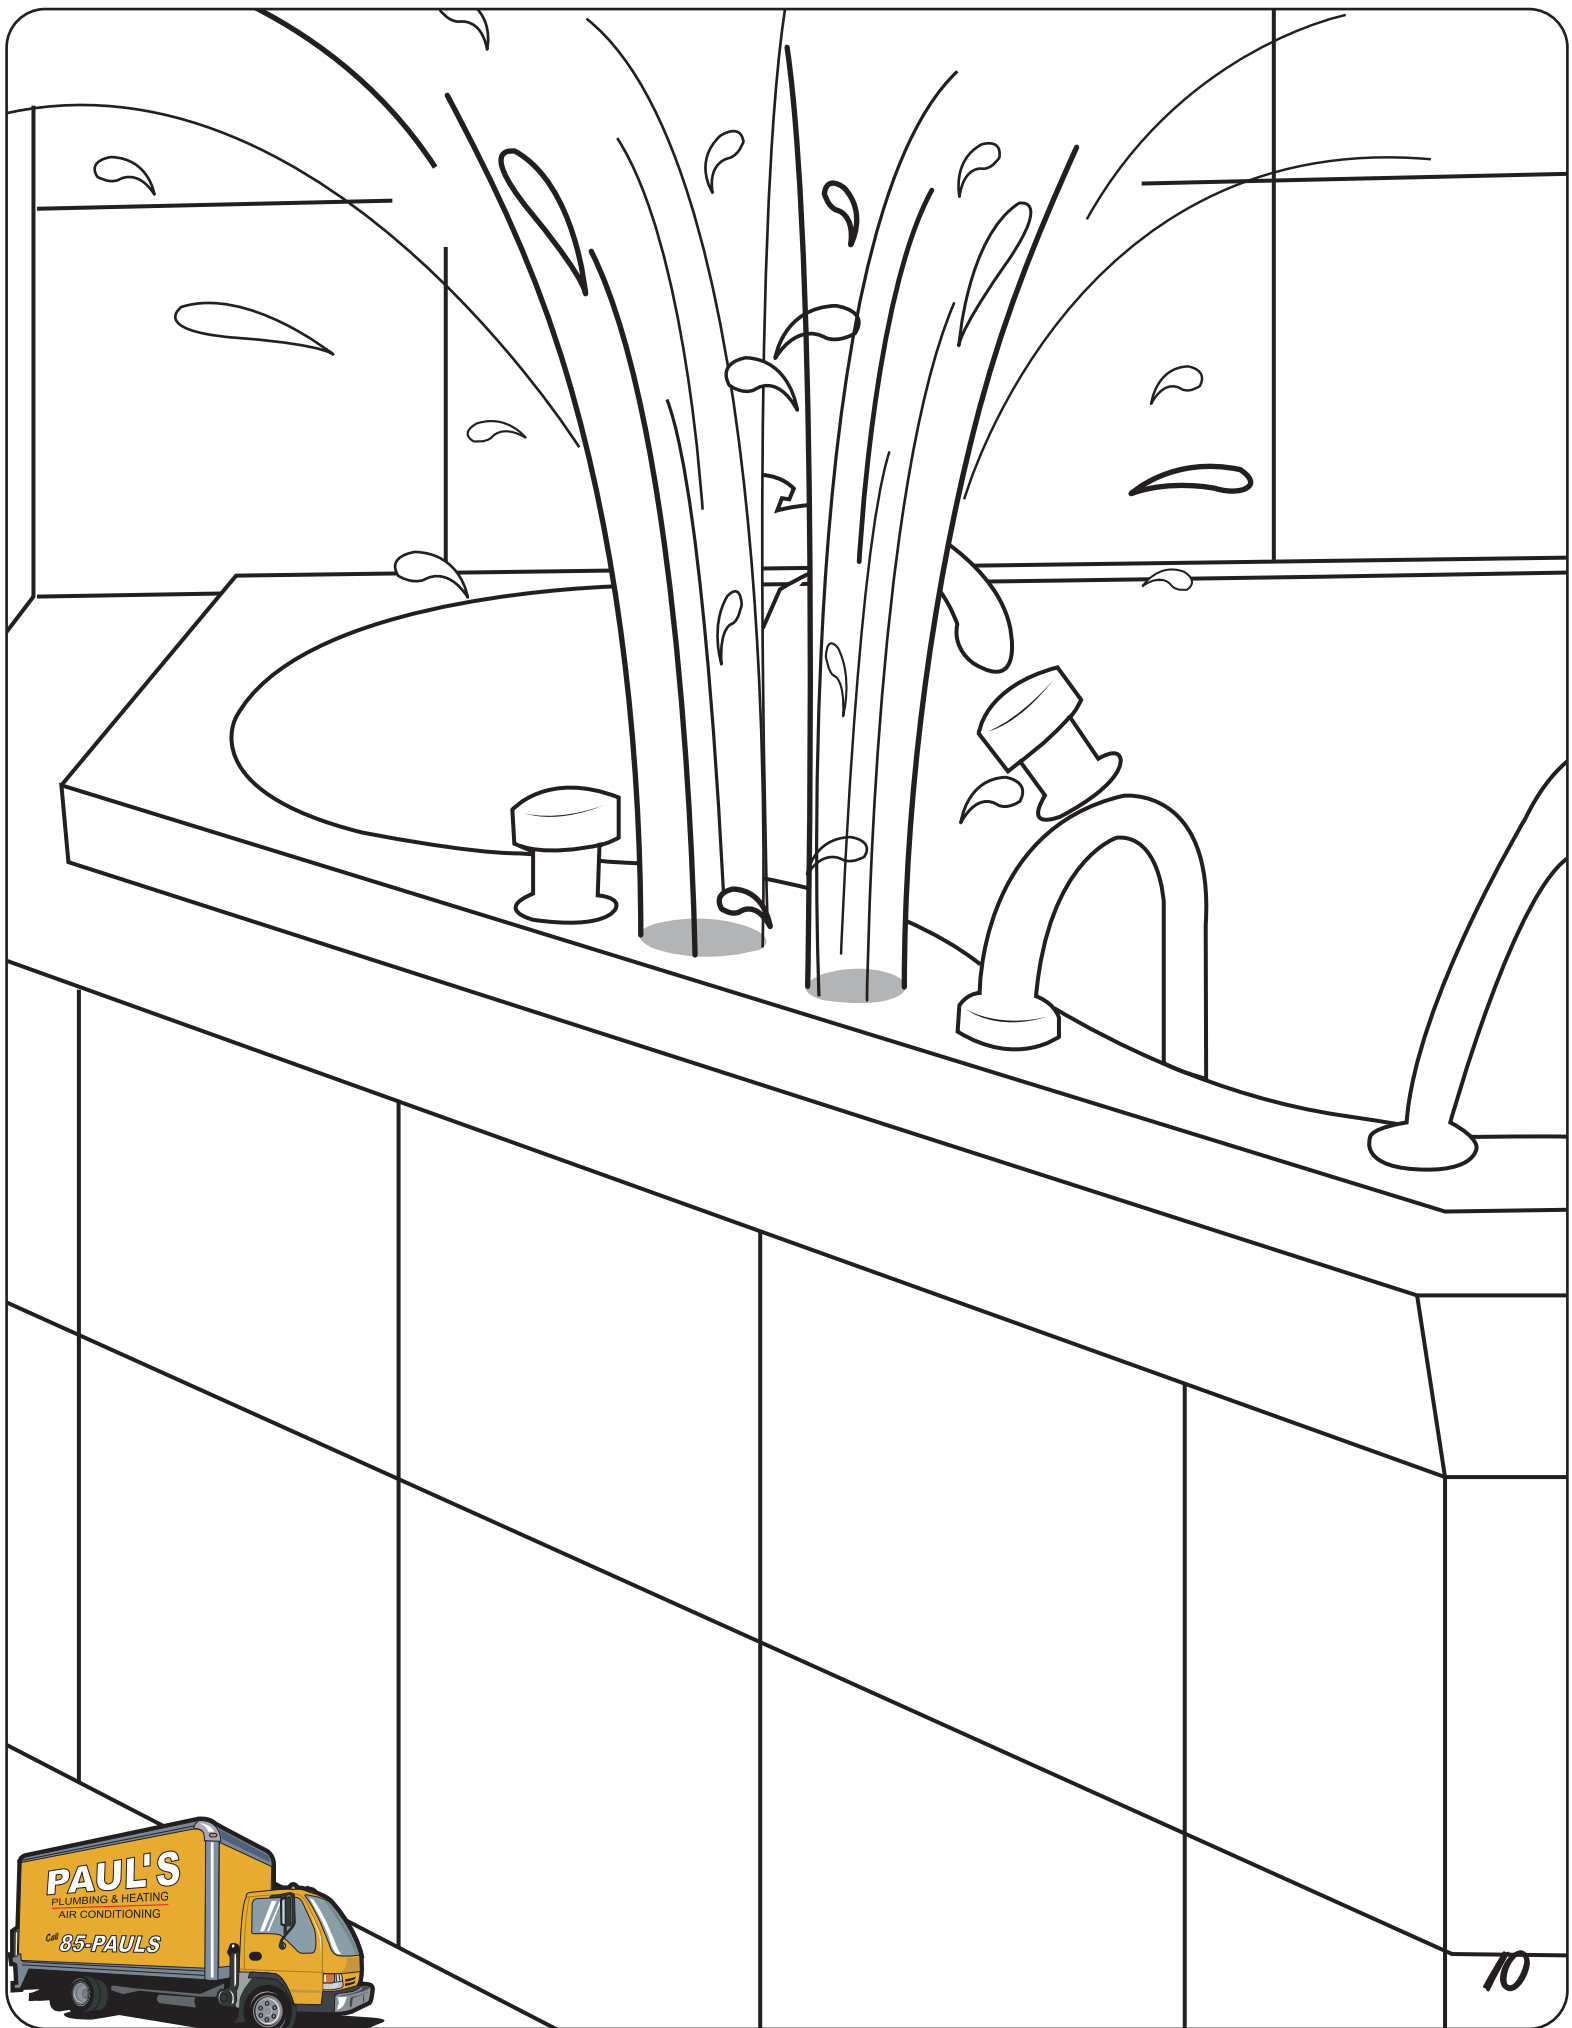

It's stuck!!

NO...leave it alone!

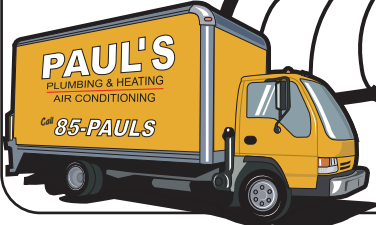

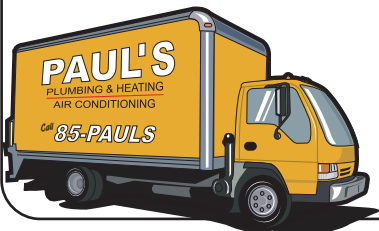

uh! oh! ...what do we do?

CALL PAULS!!!

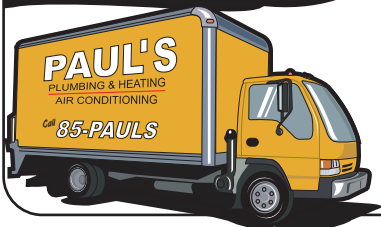

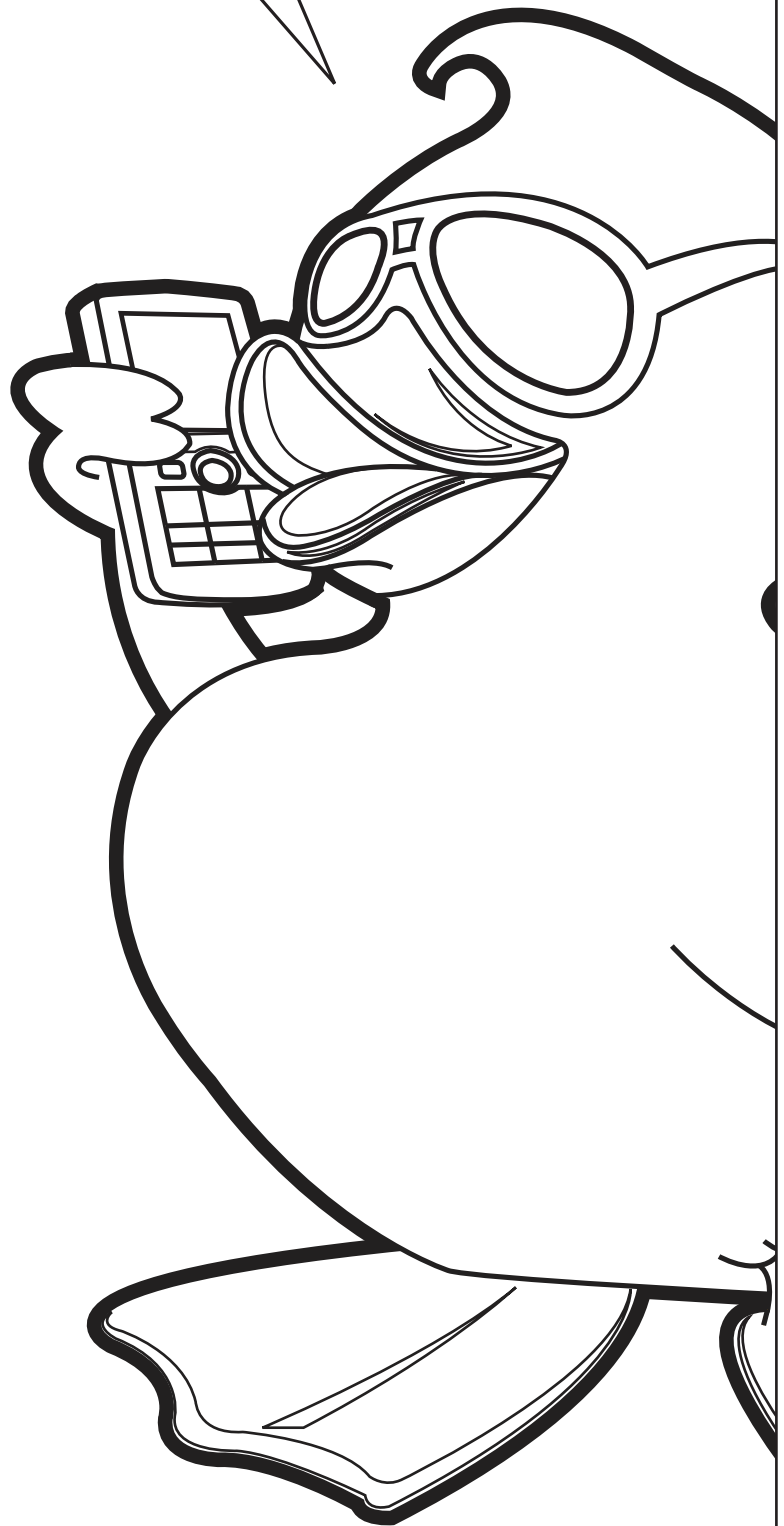

We need help!

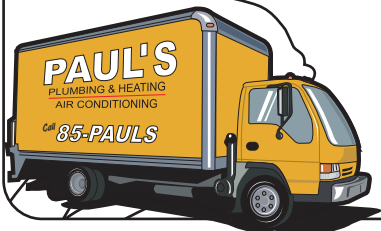

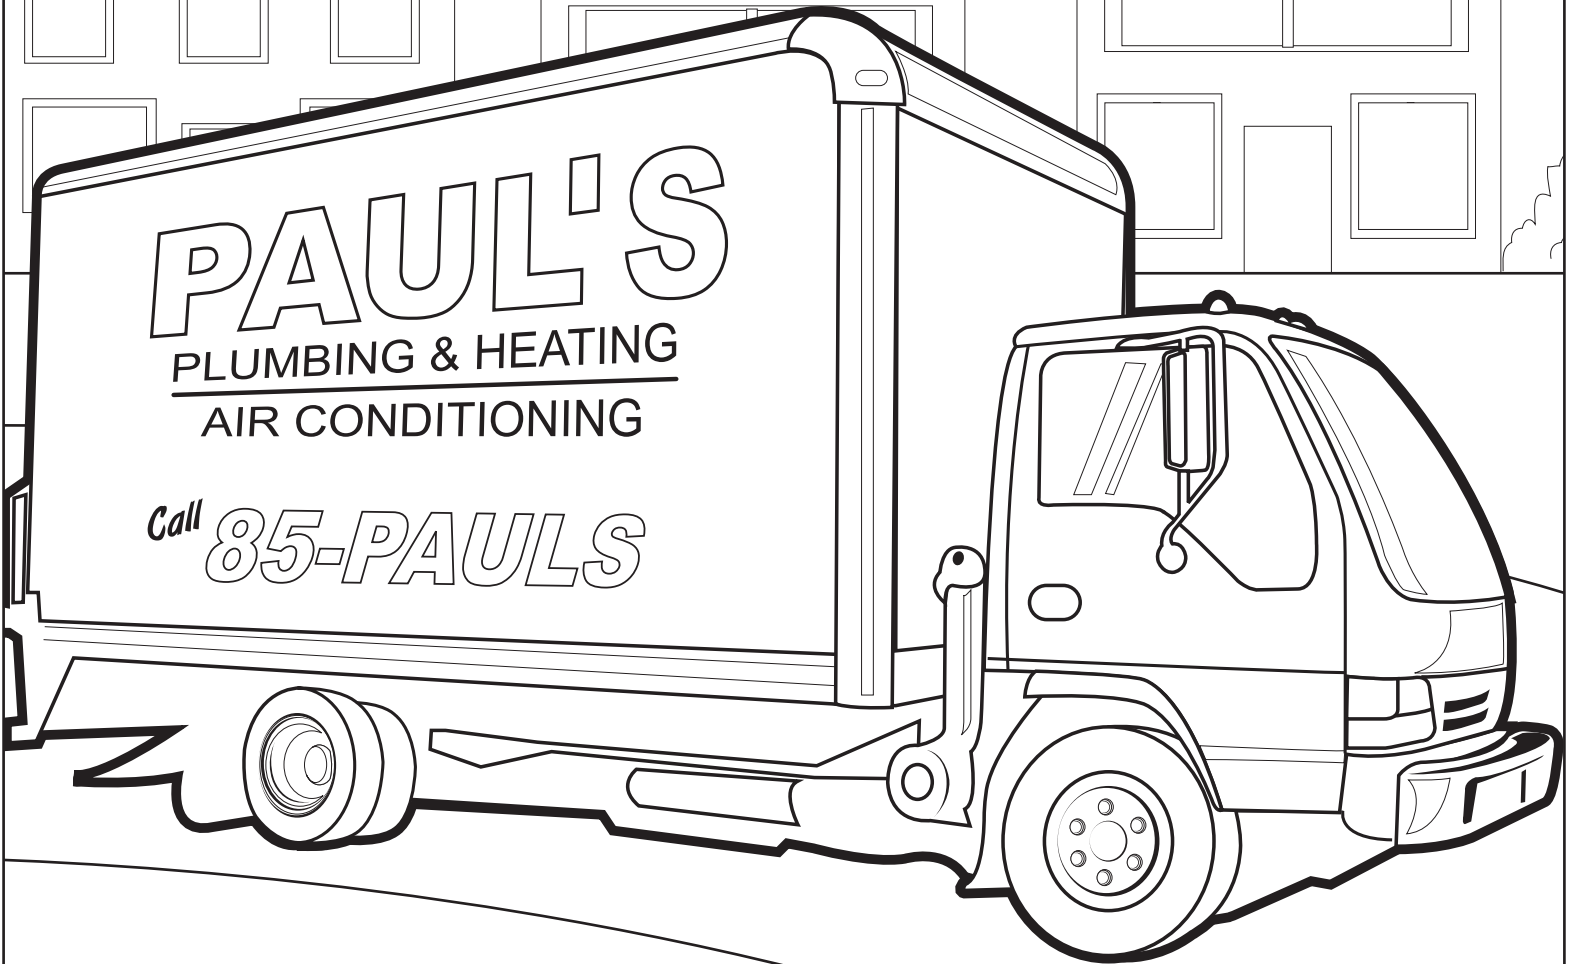

I'll be right there

Plumbing, Heating & Air Conditioning TIPS

🎯 **Problem:** *Garbage Disposal locked up*

🎯 **Solution:** *Locate the allen wrench usually taped to the disposal and rotate the blades under the disposal*

🎯 **Problem:** *Furnace always running*

🎯 **Solution:** *Check the thermostat and make sure the fan is set to auto*

🎯 **Problem:** *Air conditioner stops working from time to time*

🎯 **Solution:** *Check the condition of the filter and make sure it is clean*

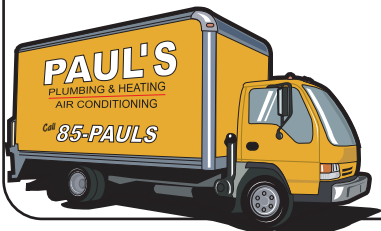

🎯 **Problem:** *Tub backing up*

🎯 **Solution:** *Make sure all hair is removed from the drain*

Here are a couple of good reminders for your parents:

- *Remember to have your parents start the air conditioner or furnace an hour before they get home by using a programmable thermostat*
- *Remember to set your water heater to vacation mode when you go on vacation*

Remember to check 85PAULS.com from time to time to download a new adventure of Dwain the Duck!
